It was difficult we rode it out at home, we fought for our lives, we nearly died to save each other and our animals some of which we lost. We were separated from each other and scared now we don't have anything not even the home we grew to go back to.

Write something special that you would like Santa to bring you or your family:

We all just want to find the rest of our dogs and to get enough money to support our selves here and replace our Vehicles and home So we may return home to Waveland, We miss our home. We went to come home!!

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Love Becky

Bevie Ann had to spend her 1st B-day in a strange place. We want her to grow up back home in Waveland. The greatest gift for us would be a nice big house where we lived on Pine Ridge with a yard to come home to. and maybe even the lots behind my house I have wanted for a long time. I want Bevie to grow up there and I went to spend the remaing of my Years there alone with my family that is my Christmas wish a home and a safe vehicle for my family.

Thank you
Santa and
We Love you
as well as the
ats and ppl at
Waveland,
